- I understand that \$10.00 of the payment will be refunded to me when I clean up my plot at the end of the season. After the clean up of all vegetation and debris I will notify the Village when that task is complete and you will be eligible for a deposit refund of \$10 (ten) dollars.
- I will have something planted in the garden by June 1 and keep something planted all summer long.
- If I must abandon my plot for any reason, I will notify the Village and remove existing plantings.
- I will keep weeds to a minimum and maintain the areas immediately surrounding my plot if any.
- If my plot becomes unkempt, I understand I will be given 1 week's notice to clean it up. At that time, it will be re-assigned or tilled in.
- I will keep trash and litter cleaned from the plot, as well as from adjacent pathways and fences. I will remove all of my trash from the property.
- I will NOT plant tall crops where they will shade neighboring plots.
- I will pick only my own crops unless given permission by the plot user.
- I will not use fertilizers, insecticides or weed repellents that will in any way affect other plots.
- I will not bring pets to the garden.
- If I bring children, I will be responsible for keeping them out of other garden plots.
- I understand that the owners of the land are not responsible for my actions.

I acknowledge that I have read and understand the guidelines and rules and will abide by those rules as stated above.
