ADDENDUM #1 TAX INCREMENT FINANCING (TIF) FEASIBILITY STUDY February 19, 2019

1. **Question:** Is there a TIF study area boundary map or general description of the area of interest with respect to the potential TIF project area?

Answer: The dashed outline indicates a proposed boundary for the TIF. This includes the Downtown, a residential/commercial corridor (Cedar Lake Road) and a portion on the industrial park. It is expected the boundary will be adjusted as part of the study.
